Welcomers -	please be at the main door at 10 .30 to welcome people. The service leader is likely to be there too. Please wait for a couple of minutes after the service starts just in case of late comers. Please then take the collection forward at the Offertory. Just after the bread and wine.													
*	Martine likes to use two readings as well as the Gospel at certain times of year. Sometimes there is just one - see the list circulated													
	The second reader should stand in if the first is away.													
**	Usually only the one chalice administrator will be needed but in case two are I have put in a second name
